

When building Recipes, please use the following Naming Convention:

**Group Item Size (where appropriate)**

Groups:

PREP – Prep Recipe (the ingredients in the batch)

SPEC – Spec Recipe (what gets presented to the guest)

MOD – Mod recipe (Extra, Add, Sub, etc)

YIELD – Yield Recipe (taking a raw item and making it usable)

**LBW Specifics**

B – Bottle

D – Draft

G – Glass

PKG – Packaged Beer

If Glass of Wine, Liquor, or Draft put the pour size at the end.

For Liquors, if it is a double, please start with DBL.

IF missing items in the Recipe, add an \* (asterisk) at the beginning.

When building Recipes, please use the following Naming Convention:
